

Sacramento Regional Public Safety Training Center (SRPSTC)

Program Review Presentation

Cohort 2: 2022-2023

AMERICAN RIVER COLLEGE

SRPSTC Profile

SRPSTC prepares students for careers in law enforcement, courts, corrections, and fire fighting; provides opportunities for professional development Support and encourage professional development and alignment between PSTC, regulatory agencies, and ARC mission and advancement.

- 2 FT faculty and 80 adjunct faculty
- Instructional Service Agreements (ISAs)

SRPSTC works with industry partners and regulatory agencies to promote critical thinking, ethical decision-making and inspires culturally competent community participation.

AMERICAN RIVER COLLEGE

Historical Analysis

Program Strengths:

1. Responsive to the dynamic nature of public safety training
2. Collaborative relationships with industry partners and regulatory agencies
3. Abbreviated curriculum review process

Program Challenges:

1. Enrollments and industry trends
2. Time/personnel
3. Internal enrollment processes
4. Instructional technology
5. Facilities limitations
6. External environment

AMERICAN RIVER COLLEGE

Objectives

- Connect students to people, programs, and services as an integrated educational experience
 - Simplify registration and enrollment process
 - Refresh advisory committee for training needs assessments
 - Fire coordinator hire to administer program and foster relationships with students
- Teach culturally relevant curriculum
 - Integrate diversity, equity, and inclusion into curriculum
 - Faculty professional development
 - Increase student participation and access via web enhancement

AMERICAN RIVER COLLEGE

Strategic Enhancement

Ideal future is to be the in-demand training provider in the Sacramento region.

- Alignment between regulatory agency goals and the college to address and reduce bias
 - Accountability to community
- Secure continued Accredited Regional Training Provider status with CalFire
- Supplement current catalog with industry-forward courses
- Perkins/SWF grants to support academy-level classes until transition to degree programs

AMERICAN RIVER COLLEGE

Planning Steps

SG1: Students first

- Secure fire coordinator and SRTP certification
- Refresh advisory committee memberships
- Update existing curriculum with industry requirements and with a diversity, equity, and inclusion lens
- Perkins/SWF grants to support academy programs
- Simplify the registration and enrollment processes

SG3: Exemplary teaching, learning, and working environment

- Promote adjunct faculty professional development
- Update relevant and provide new curriculum
- Web-enhance courses with Canvas
- Obtain instructional technology to support hybrid modality
